

Accident Claim Centre

The human touch

Speaking to your solicitor face to face can make all the difference. The facts and details are essential, but having a legal professional who empathises as well as analyses makes everything run much more smoothly. One-to-one sessions also aid the flow of discussion, ensuring that we get all the facts straight before helping you to make a claim for compensation.

We're dedicated to you

With the above in mind, Banner Jones runs an Accident Claim Centre on Glumangate in Chesterfield. We're the local experts in personal injury claims and also work regularly across the UK and on high-profile legal cases, so we're confident that we can get you the compensation you deserve.

How compensation can help

Claiming compensation is often a logical and justified course of action. Financial recompense can help to make ends meet, going an especially long way when your illness also affects other aspects of your daily routine, such as domestic living and your social life.

Banner Jones doesn't have claims managers; instead, every customer gets to speak to a solicitor that specialises in the area. Our team has over 45 years' experience with high value personal injury claims, so you're in safe hands from the start.

No appointment necessary

Through an initial free assessment of your case, we can suggest the best course of action and its likely timescale. You don't need to make an appointment, you can simply turn up whenever works best for you. If your mobility is limited, we can even arrange home visits during the consultation process, helping everything to run as smoothly as possible.

No win, no fee

In most cases we will pursue compensation claims on a "no win, no fee" basis. However, we will consider all possible methods of funding, including legal expenses insurance, trade union funding and private fee agreements.

We're with you every step of the way

As members of the Law Society's Personal Injury panel, Banner Jones has recovered several million pounds of compensation for clients across the UK. We pride ourselves on winning over 95% of the cases we take on, so if you need a helping hand and skilled advice regarding personal injury, pop in to see us today.
